Dear Mr. Weisberg;

I am most interested in recieving information about your Whitewash series. Would it be possible to send me prices on the books?

I have recently been converted to what some people tend to call an "assassination buff" but my interest lies mainly in the John F. Kennedy assassination. I firmly believe that the assassination should be reinvestigated and that the American people should be allowed to know the truth however ugly it may turn out to be.

Please forward any other addresses you might have that I could write to requesting further information on the subject.

Sincerely,
Lynn E. O'Brien
